

COLLEGE OF NURSING
EAST COAST INSTITUTE OF MEDICAL SCIENCES
ANTI- RAGGING COMMITTEE

DESCRIPTION

Ragging is a practice similar to teasing in educational institutions. Ragging involves existing students, annoying or bullying new students. It often takes a malignant form wherein the newcomers may be subjected to psychological or physical torture. Ragging in the College Campus is absolutely banned, and hence any student found indulging in an act of ragging shall meet strict disciplinary action, which may include immediate expulsion from the Institute apart from criminal consequences. The Anti ragging cell in College of Nursing- East Coast Institute of Medical Sciences is very vigilant at all times.

OBJECTIVES OF ANTI -RAGGING COMMITTEE

The anti-ragging committee will be able to,

- maintain the CON- EIMS campus free of ragging.
- ensure benevolent student teacher relationship.
- design strategies and action plan for curbing the Menace of Ragging in the college by adopting array of activities.

ACTION PLAN

- Ragging is strictly banned in or outside the campus.
- All students should be acquainted with rules and regulations on code of conduct, anti-ragging measures and discipline of the institution.
- Anti-ragging committee will be alert on any ragging events.
- In the occurrences of ragging in the college the principal will be kept informed .
- The record will be maintained on all complaints and actions taken on ragging activity .

PUNISHMENTS AND PENALTY FOR RAGGING

- Suspension / dismissal from the college and hostel.
- Expulsion from the institution
- Reject from appearing in examinations.
- Results will be held back.
- Scholarships and other benefits are withheld.
- Exclude from any cultural events representing the institution in any levels.
